

SCHOLARSHIPS FOR COVENANT LATINO CAMPERS!

Camping programs at Covenant Harbor and Covenant Point Bible camps are open to all children and youth in every Covenant church in the Central Conference – *including your church*. If your church does not have experience with youth or overnight camping, we extend a special invitation to you to learn more about our Bible-based programs, our Christian staff, and our quality and safety. Please call to speak with us personally – see phone numbers, below.
