Meals outside helped make camp safe in summer 2020.

This summer, Covenant Harbor was a life-giving place for our family, especially for our oldest son. Coronavirus isolation was very hard on him, but after a few days of camp he was back to the fun-loving, open 12-year-old God created him to be.”

A GRATEFUL DAD

## A season like no other

What a spring. What a summer. This season of ministry is different in every way and yet we see the hand of God at both Covenant Harbor and Covenant Point Bible camps. Thanks to our many friends who are standing with us, we are encouraged and helped. This special issue of the *Harbor Point Ministries Camping News* recognizes these friends with sincere, heartfelt gratitude.

It was, and is, a rocky journey. Both camps experienced cancellation of all spring guest and rental groups and of summer overnight programs.

Revenue plummeted. Both are offering reimagined fall programs and guest group rentals. We continue to innovate for safety. And summer looked different at each camp.

At Covenant Harbor, Family Getaways and Day Kids and Youth Programs drew about 815 children and 70 families. Those numbers are far below our typical summer numbers of just under 3,000 summer youth campers, but they represent children and adults who so needed an experience away from home. And praise be to God, there was not a

single case of the coronavirus during six weeks of ministry!

At Covenant Point, staff hosted a few families in facilities with kitchens and invested in projects – a new sauna on the Island, painting the docks, renovation of the lower level of Tamarack lodge, building upgrades and repairs, preparation for the next accreditation visit, and more.

Thank you for being part of this hard season. Your friendship, encouragement and financial support mean so much. We are grateful for you!

This special issue of the *Harbor Point Ministries Camping News* is dedicated to the thousands of friends of camp ministry who have generously embraced us with prayer, encouragement and financial support during an especially challenging season.

Our incredible week at Point was exactly what our minds and souls needed."

A GRATEFUL MOM

Construction continues on the Island sauna.

## Comings and Goings

### Welcome interns

Covenant Point welcomed two interns in June: Hannah Lewis of Centennial, CO, and Nate Werling of Grabill, IN. Hannah is a former Covenant Point summer staff member who graduated in 2020 from North Park University with

Hannah Lewis & Nate Werling

a bachelor's degree in art. Nate is a former summer staff member at Pilgrim Pines in New Hampshire, and also is a spring 2020 graduate of North Park University with a bachelor's degree in youth ministry and biblical/theological studies. While at North Park, Nate served as a youth ministry intern at Northwest Covenant Church in Mt. Prospect, IL.

Lynnea Miller of Batavia, IL, joined the staff as an intern in September. She recently completed an internship at Batavia, IL, Covenant Church in youth ministry and worship. She is a long-time summer staff member, having served most recently as Island director. Lynnea is a graduate of Michigan State University with a bachelor's degree in sociology and organizational leadership.

Lynnea Miller

### Farewell, Zoe

Zoe Larson, part-time program director, completed her work this spring. In bidding farewell to Zoe, Executive Director Erik Strom said, "We are grateful for Zoe's many years of faithful, creative and diligent work in a variety of roles - summer staff, intern and program director." God's blessings in your next steps, Zoe.

## What's happening at Covenant Point

### A quiet summer transitions to new fall programs

For the first time in 94 years, there were no programs at Covenant Point this summer. This loss prompted sadness and lament, but also new pathways and peace amid uncertainty. Friends and donors responded with amazing encouragement and generosity. Many parents converted part or all of their campers' fees into contributions, donors stepped up with a significant matching gift and we raised \$256,046 to help sustain ministry.

Covenant Point hosted a few families on site and invested in projects that included repainting the docks a beautiful red, completing an extensive makeover of staff housing in lower Tamarack lodge and, with the help of volunteers Stuart Brown and Lionel Martinez, building a new sauna on the Island. Additionally, we sold T-shirts and sweatshirts that say, "I'd rather be at camp" to help campers connect to the place and experiences they were missing.

As we look to fall and winter, we have expanded our Silent Directed Retreat to two weekends and are inviting families to come for three Family Getaway weekends. Families and individuals are also invited to inquire about rental options. We hope our annual Christmas Camp and winter youth retreats will proceed - and as we plan and pray, we remain flexible.

Thank you for your ongoing care and support. Please see the back cover for details on fall and winter programs and information on how to give to financially support our mission. Thank you. 🌲

Mayze, Tatum and Bexley Wheeler feel closer to camp in their summer 2020 T-shirts.

Edgar Torres, youth pastor at Iglesia del Pacto Evangélico Peniel, Chicago, and his wife, Jocelyn, enjoyed time at Covenant Harbor this summer.

## Serving pastors

This summer, Covenant Harbor and Covenant Point hosted 25 pastors and their families associated with the Evangelical Covenant Church. Discounts or complementary stays allow ECC pastors to experience rest and refreshment. Both camps also provide free accommodations for new ECC church plant leadership teams. To learn more, contact Covenant Harbor at (262) 248-3600 or Covenant Point at (906) 265-2117. 🌲

Our family reconnected after a stressful spring and our kids physically connected to a spiritual community after months of online church.”

THANKFUL PARENTS

## What’s happening at Covenant Harbor? From winter to spring to summer, everything changed

Who could have imagined how life would turn in spring 2020? Covenant Harbor was off to a strong start. Within the first nine weeks of the year, more than 1,000 students and youth leaders enjoyed five high-impact Winter Camp retreats, registrations for summer youth camp were on pace to eclipse 2019 at more than 2,800 campers, and we had completed our \$1.8 million capital fundraising goal for the Kishwauketoe Village Transformation project. Our financial position was strong and the operation was without debt. By mid-March, however, as the COVID-19 pandemic rapidly unfolded, everything changed.

### A safe summer

From the start, we set as our top priority the health and safety of campers, guests and staff, as well as doing our part to slow the spread of the virus. In mid-March the Harbor Point Ministries Board of Directors decided to close camp to guests and look to public health officials for direction for future decisions. That pattern provided the framework for subsequent decisions to cancel traditional overnight youth programs and Summer Sunday Worship services, allow us to reopen with reimagined summer programs, delay that reopening until early July and change virtually every aspect of operations and programs to achieve high levels of safety and acceptable levels of risk.

Campers experienced many changes this summer, but fun remained!

This summer, we served about one-third our typical number of youth campers – and by God’s grace, we made it through six weeks of camp with no known cases of coronavirus transmission. Thanks to camper parents who converted fees to contributions, the support of friends and a Paycheck Protection Program loan, we were able to retain staff to sustain operations.

### Fall and beyond

Although we are grateful to be active in ministry and mission, we are living daily changes. Changes for the fall are coming into focus as more than

## Comings and Goings

The coronavirus pandemic has had a significant impact on Covenant Harbor’s staff. The number of year-round staff has been reduced by 80 percent. Of the 18 remaining staff members, six have reduced hours. All have reduced pay and benefits. Please pray for staff who are furloughed and for those who remain.

### A delayed welcome

Beth Piccard joined Covenant Harbor’s team in October 2019 as program director. Beth served on summer staff at both Covenant Harbor and Covenant Point and most recently as associate director at Portage Lake Bible Camp. Beth, her husband, Eric, and their two children are a wonderful, welcome addition to Covenant Harbor’s staff.

Beth Piccard

### Meet our new director

Eric Anderson began his new role as executive director on Aug. 2. Eric had served as interim executive director since June 1 and associate director prior to that. He credits his own youth camp experiences with forming his faith and his call to camp ministry. Covenant Harbor has been an important influence in the lives of Eric, his wife, Cherith, and their three children during the 17 years Eric has served on staff.

Eric Anderson

100 school, church and other guest rental groups have cancelled their bookings. With longer-term ministry impact from the virus still unknown, we anticipate additional cancellations into 2021.

Unfortunately, we have been forced to implement significant staff reductions, reductions in pay, hours and benefits, renegotiated contracts with vendors, closed buildings and halted capital projects. Even after these aggressive budget cuts and tapping operational reserves and unrestricted funds, projections show operational losses of \$800,000 through Nov. 30, 2021.

We share this challenging story with you, our friends, because we want you to know our situation. We covet your prayers and financial support. Our aim is sustained, long-term ministry. Please see the back cover for ways to make a gift. Thank you.

Kish is so beautiful!  
It was so great to stay there!"

FAMILY GETAWAY MOM

## Families experience a brand new Kishwauketoe Village

Versatile site and cabins provide comfort, rest, ease

The transformed Kishwauketoe Village at Covenant Harbor was designed for young campers, but during its inaugural summer was inhabited by delighted families who found a comfortable home away from home after a season of seclusion.

With six new cabins nestled into a fresh landscape, an adventure play area, campfire circle and made-over entrance, the Kish Village provided excellent accommodations for participants in Covenant Harbor's reimagined Family Getaway program. These families

were the first to experience the amenities of the new cabins – covered porches with picnic tables, night lights and electrical outlets by each bunk, air conditioning, a loft gathering area and spacious bathrooms.

The \$1.8 million project, which launched in fall 2018, is funded and construction is almost complete. Due to coronavirus, all non-essential capital projects are on hold, so improvements to the tree house and Knoll, a new pavilion and parking lot will be completed in the future. [+](#)

*The amazing new Kish is a tribute to the hundreds of generous friends who joined together to fund the project. We are honored to note their names here and are so grateful for their investment in the lives of children, adults and families. Thank you!*
