MOVING MISSION FORWARD

Central Conference Annual Meeting Workshops, April 28, 2023

Workshop (Session #1) – 1:30 – 3:00 pm

Workshop (Session #2) – 3:15 – 4:45 pm, repeat of Session 1

Workshop A. Moving Mission Forward

The local church has suffered many challenges in the past three years. How can we move mission forward following COVID?

Led by Rev. Abraham Bejarano Church Planting Coach

Workshop B. Discovering Your Church Identity

Rev. Paul Lessard will walk with local church members to identify effective and productive ministry. He will also share information on tools, including several produced by the ECC, that are being used today by local churches to discover a church's identity.

Led by Rev. Paul Lessard, Executive, Minister of Start and Strengthen Churches

Workshop C. Generation Now

Rev. Steve Burger will help participants in this workshop identify the place of youth and children in the missional church. With Rev. Burger's rich experience in this ministry area, this will be an opportunity for participants to ask questions regarding youth and children ministries in the local church today.

Led by Rev. Steve Burger, Conference Youth and Children's Ministry Coach

Workshop D. Financial Training for Church Leaders

As the former President of National Covenant Properties and Covenanters, Steve Dawson will share his financial expertise with those who attend this workshop. He will share with participants everything they ever wanted to know about church finances.

Led by Steve Dawson, Conference Accountant

Workshop E. New Delegate Orientation

Is this your first time serving as a delegate at the Central Conference Annual Meeting? Do you want to refresh your knowledge on how the conference annual meeting works? Then this is the workshop for you. Kurt Tillman will walk participants through their important role as delegates at the meeting.

Led by Kurt Tillman, Conference Executive Board Chair

Taller F. Opción en Español

Un taller para los hermanos en ministerios de habla español. Será un tiempo de edificación para todos.
